

Case Study - CBL Corporation

In April 2014, FIIG sole arranged a \$55m 5 year 8.25% fixed rate senior secured note issue for New Zealand credit and financial risk insurer CBL Corporation Limited. The issue was well oversubscribed and was upsized from the \$50m offer.

"Arranging an unrated bond issue for a non-Australian company was another first for FIIG."

FIIG Securities Limited ('FIIG') provides general financial product advice only. As a result, this document, and any information or advice, has been provided by FIIG without taking account of your objectives, financial situation and needs. FIIG's AFS Licence does not authorise it to give personal advice. Because of this, you should, before acting on any advice from FIIG, consider the appropriateness of the advice, having regard to your objectives, financial situation and needs. If this document, or any advice, relates to the acquisition, or possible acquisition, of a particular financial product, you should obtain a product disclosure statement relating to the product and consider the statement before making any decision about whether to acquire the product. Neither FIIG, nor any of its directors, authorised representatives, employees, or agents, makes any representation or warranty as to the reliability, accuracy, or completeness, of this document or any advice. Nor do they accept any liability or responsibility arising in any way (including negligence) for errors in, or omissions from, this document or advice. FIIG, its staff and related parties earn fees and revenue from dealing in the securities as principal or otherwise and may have an interest in any securities mentioned in this document. Any reference to credit ratings of companies, entities or financial products must only be relied upon by a 'wholesale client' as that term is defined in section 761G of the Corporations Act 2001 (Cth). FIIG strongly recommends that you seek independent accounting, financial, taxation, and legal advice, tailored to your specific objectives, financial situation or needs, prior to making any investment decision. FIIG does not make a market in the securities or products that may be referred to in this document. A copy of FIIG's current Financial Services Guide is available at www.fiig.com.au/fsg.

An investment in notes or corporate bonds should not be compared to a bank deposit. Notes and corporate bonds have a greater risk of loss of some or all of an investor's capital when compared to bank deposits. Past performance of any product described on any communication from FIIG is not a reliable indication of future performance. Forecasts contained in this document are predictive in character and based on assumptions such as a 2.5% p.a. assumed rate of inflation, foreign exchange rates or forward interest rate curves generally available at the time and no reliance should be placed on the accuracy of any forecast information. The actual results may differ substantially from the forecasts and are subject to change without further notice.
